

CONTRACT WITH ENTERPRISE RENTAL COMPANY
Reference RFP #08-012-35

Fee schedule for rental vans:

The Congestion Mitigation Air Quality Program (CMAQ) shall pay an empty seat subsidy based on dividing the rental cost of any van by the number of seats in the van. Then the minimum number of riders required to rent a van through Shelby County's Memphis Area Rideshare program will be subtracted and Shelby County shall pay that amount.

The Congestion Mitigation Air Quality Program (CMAQ) shall pay the entire rental fee for any new vans rented through our program for the first two months as an introductory period.

The Congestion Mitigation Air Quality Program (CMAQ) shall pay the entire rental cost of one van to be used by Shelby County's Air Quality Improvement Branch staff for promotion of the vanpool rideshare program.
